

Professional Title is extremely proud to be marking our 40th anniversary!

Professional Title is extremely proud to be marking our 40th anniversary in 2023. Since 1983, we have completed thousands of real estate transactions. For us, that achievement is more than a number. It embodies the hard work and dedication that it takes to shepherd countless families through homeownership. It is also the pride in knowing that we have helped insure and protect millions of dollars' worth of commercial investments for our business partners. While we are proud of every single one of these accomplishments, our success is really about you – our valued business partners. And to you, we say thank you. You have continually showed your confidence in us by allowing Professional Title to be a part of your business. We are grateful for that trust and will continue to do all we can to earn it.

We are also excited to announce that we have rebranded as part of the ongoing evolution of our company. We honor our past by remaining Professional Title but embrace the future by evolving our company's image. Our new branding, including our updated logo, better reflects our namesake and our company culture, and we hope you love it as much as we do. These changes are only on the outside...when you walk through our doors you will find the same amazing people with the same exceptional service.

Thank you for always supporting us and being a part of the Professional Title family.
